Stimulant, Stomachic, Carminative and slightly Laxative. The mode of prepareing them is strictly in accordance with the rules of phasmacy. Having used them, seen its effect in our private practice, we take plessure in recommending them to all persons desirous of taking litters, as being the best Tonic and Stimulant now offered to the public. By anthority of a special act of the Legislature of Kentucky, of March 18, 1871, the Trustees of the Public Library of Kentucky, will give a Grand Gift Concert

At Louisville, Ky., on Tuesday, Oct. 31st, 1871, UNDER THE DIRECTION OF THE BEST MUSICAL TALENT

100,000 Tickets of Admission, \$10 00 Each in Currency; Half Tickets, \$5 00; Quarter Tickets, \$2 50. Exc. Ticket will consist of four quarters, value \$2 50 each. The holder is entitled to admission to the Concert and to the amount of gift awarded to it or its fraction. Tickets number from 1 to 183,000. The Citizens' Bank of Hentucky is Freasurer.

All Monies arising from the sale of Tickets will be deposited with the Citizens' Bank, subject only to the order of the Provident and Treasurer of the Library, countersigned by the Business Manager. During the Concert, the sum of

\$550,000 IN GREENBACKS Will be distributed by lot, to the holders of Tickets, in the following Giffs, vis: 

571 GIFTS IN ALL After paying the experses of the enterprise and making the distribution of the Gifts, the balance of the proceeds arising from the sale of tickets will be appropriated to the establishment of a Free Library in Lonisville, to be called the PUBLIC LIBRARY OF KENTUCKY. OF KENTUCKY.

The Concert and Distribution will take piace under the immediate supervision of the Trustees mentioned in the act of incorporation.

The Trustees will be assisted by well known and eminent citizens of Kentucky, who have consented to be present at the concert, and to superintend the drawing and distribution of gifts. The holders of tickets to which gifts are awarded, will be paid on presentation of them or their fraction at the office in Louisville, the second day after drawing and every business day for six months thereafter, and may be sent direct or through any bank or express company, for collection. All orders accompanied by Drafts, Postoffice Money Orders or Greenbacks, will be promptly attended to, and tickets returned by mall registered or expressed, as desired. Tickets are like Greenbacks—good only to the holder.

Huyers will note that there are only One Hundred Thousand Thebats, instead of Two Hundred Thousand, as in the San Francisco Gift Concert, and that there is \$6.00 more distributed. I sold that and made the awards in four months and paid \$485,600 to ticket holders from November 2d to 15th, 1870, and turned over \$12,000 to the Scoretary due tickets not presented. November 2d to 18th, 1870, and turned over sinus to the Schreibler, due to sented.

It will be particularly noticed that it is a matter of impossibility for any one to know what numbers draw gifts, as it is not known what the gift of any number drawn from the first wheel will be, untilifthe sealed box, with the amount of the gift planly printed, is taken from the other wheel and opened in tuil view of the andience, therefore the larner gitts may not come out until towards the last, or in the middle of the drawing. The Photon of the same printed in the San Francisco Gift Concert under the management of C. R. Peters, was the 20th number drawn, and was awarded and paid to a gentleman in New Orleans. 721 Giffs are all that can be drawn in one day.

3. The Numbers and Gifts are drawn by blind children from 3 to 18 years of age, and The Drawing will be extensively published, and parties ordering tickets will have printed lists sent them. Parties forming Clubs and desiring information will please at dress this office.

SIX MILES EAST OF MEMPHIS, The undersigned, late principal business manager of the very successful Mercantile Library Gift Concert at San Francisco, California, has been appointed agent and manager of the Gift Concert in aid of the Fublic Library in Kentucky.

The drawing will take place in public, and everything will be done to satisfy buyers of tlekets that their interests will be as well protected as if they personally superintended the entire affair. MANNER OF DRAWING:

There will be two glass wheels. One wheel will contain 100,000 numbers, plainly printed on leather tags. The other wheel will contain 721 bexes, each containing a gift. One tag or number will be drawn from the 100,001 wheel, and the first box drawn from the second or 721 box wheel will contain a giff, nearly printed and sealed my, and the gift so drawn from the second wheel will be the gift of the tag first drawn, whether \$100, \$1000, or \$100,00, as approximately provided the second wheel will be the gift of the tag first drawn, whether \$100, \$1000, or \$100,00, as 14.364 TICKETS DISPOSED OF IN JULY. To insure ticket holders, the public are assured that if only 25,000 tickets are sold only 25,000 numbers go in the large wheel, the 721 gifts awarded, but diminished pro rata. In case 50,000 lickets only are sold, only numbers 1 to 50,000 go in the large wheel, and the 721 gifts diminished one-half; and in case ally 25,000 tickets are sold the entire 721 gifts will be paid in full—it being intended that no unsold tickets shall participate.

The Manager has already paid into the Citizens' Bank 550,000 toward delraying the expenses, and does not depend on sales of tickets to pay his expenses of Printing, advertising, etc. The public are invited to the utmost scrutiny as to the reliability of the entire affair.
